SWIMMING CLUB

Hi CUVS members,

A very warm welcome to our new members who have joined in recent months. Thank you to club families for your recommendations and referrals, as these really help the club grow its membership base.

It's been an action-packed start to 2024, with meets, our club nights and school carnivals. We also travelled to Busselton for the iconic Jetty Swim and York for a country meet! Thanks for sharing achievements and photos as well as the time and effort that goes into being a swimming family!

Club Night #8 – the Finale Friday 15th March

Our final club night of the season is this coming Friday, with entries open on Swim Central now. All swimmers' total club night results are tallied based on their personal improvements, and the top 10 are recognised at our awards day later in the year. It's often not the fastest and most experienced swimmer who tops the list so keep up the entries and efforts to the last lap!

Short Course season: May-September: What's In Store?

We don't hibernate over winter, that's for sure. We'll publish our targeted meets for the short course (winter) season by mid-late April. Usually one event per month, mostly held at HBF Stadium. It's lots of fun and motivating for swimmers at all levels, with all events swum in a 25m pool.

New Club Website – coming soon!

Denika has been working hard behind the scenes on our new website. Stay tuned for the launch in the next month or so.

Recognising Our Swimmers

The Junior Excellence program recognises swimmers aged 9-13 who have achieved times set by Swimming Australia during the season. We congratulate Mohamed, Amelia, Rachel and Bernice for achieving Bronze status and Juliet, Kaissie, Harley, Pallas, Skylar, Thomas, Megan and Sybilla for Blue. Well done and no doubt there will be more of our swimmers in the future!

Junior State Championships

We're so proud to have four of our juniors – Amelia, Juliet, Rachel and Bernice – already qualify for the State Champs, to be held on 22-24 March. We wish them, and CJ of course, all the best.

Get Involved!

We always welcome suggestions for our club, including what you've seen work well at other sporting clubs you've been a part of. Email vpssc.president@gmail.com or chat to a board member at the pool. If you'd like to get more involved, we would love that too! See below on how to get involved as a Technical Official.
